Mrs. Armstrong Is Auxiliary Pres.

Mrs. L. W. Armstrong was installed president of the newly organized Everglades Memorial Hospital Auxiliary at a meeting at the Woman's Club building Tuesday.

Other auxiliary officers inducted by Mrs. Arch Blakey, installing officer, were Mrs. C. A. Canipe, vice president; Mrs. Earl Pitts, recording secretary; Mrs. John Sutterfield, corresponding secretary (by proxy); Mrs. Ernest Maxwell treasurer; Mrs. C. L. Wilder, Mrs. Milton Carpenter and Mrs. R. J. Schroder, directors. Other directors elected to serve on the board but not present for the installation are Mrs. J. H. Bordeaux, Mrs. Pope Sears, Mrs. Edna Barrett, Mrs. Albert Fremd, Mrs. Frank Friend and Mrs. James B. Tripp.

Mrs. C. L. Wilder reported St. Mary's Guild, in cooperation with Herman Kautz, has presented the Everglades Memorial Hospital with a washing machine for use in emergency cleaning.

Other contributions to the hospital reported at the meeting: A cot and a play pen, by the Pahokee Chapter, Order of Eastern Star; table and lawn umbrella, Lions Club; high chair, Everglades Business and Professional Woman's Club; \$10 in kitchen equipment, Pahokee First Methodist WSCS; 15 training panties and 21 diapers for the hospital nursery, Canal Point Methodist WSCS.

Mrs. Tripp, president of the Woman's Christian Temperance Union, reported the making of surgical bands. Mrs. C. A. Canipe announced a committee has been organized for the collection and distribution of magazines and other reading materials for hospital patients.

I. L. Price Named Head Of Fla. Co-Ops

LAKELAND—I. L. Price of Belle Glade was elected Tuesday as president of the Florida Council of Farmer Cooperatives.

Other officers chosen at the annual session of the group were Marvin H. Walker of Lake Wales, vice president; Dr. F. W. Calk University of Florida, agricultural extension service, secretary; Jack Mathews, Trenton, treasurer and Al Whitmore, Winter Park, assistant secretary-treasurer.

New directors named were Al den Drury, Umatilla; George Young Belle Glade; R. V. Phillips Haines City; Bill Rayley, Goulds and Leon Stevens, Wauchula.

The council presented a \$400 check to the Trenton Future Farmer of America chapter for its participation in working with farm cooperatives in the area.

Five FFA members from Trenton will use the money to go to the youth council workshop sponsored by American Institution of Cooperation at East Lansing, Mich.

The council also voted to give a similar award next year to the outstanding 4-H Club in Florida.

Gulf Life Workers Honored For Efforts

Members of the Pahokee branch of the Life Insurance Company of Georgia were honored Saturday night at an outdoor party and covered dish supper given by their wives in celebration of the winning of a trophy by the Pahokee branch for having the best record during the past year of all the company's agencies in 11 States.

Farm Bureau Speaker

An official of the Florida Farm Bureau was guest speaker at the dinner meeting of the Canal Point Lions Club Monday night. Introduced by President Floyd Erickson, the speaker gave a talk on "Inflation."

Mrs. Don Hillier Is Woman's Club Pres.

Mrs. Don Hillier was elected president of the Pahokee Woman's Club at a business luncheon in the clubhouse Tuesday.

Other new officers recommended by the nominating committee and unanimously elected were Mrs. James H. Wilson, first vice president; Mrs. Lewis Friend, second vice president; Mrs. Frank Friend, recording secretary; Mrs. Norman Kennedy, corresponding secretary; Mrs. George Tucker, Jr., treasurer; Mrs. M. I. Keen, auditor, and Mrs. R. J. Schroder, parliamentarian.

Mrs. Leon Wroten, retiring president, thanked members for their cooperation in club activities during the past year.

The group voted to obtain defense mobilization materials for educational programs to be sponsored by the club. Announcement was made of the meeting of the Palm Beach County Federation of Women's Clubs to be held in Lake Worth May 8. Mrs. Norman Kennedy to be in charge of local reservations for the luncheon at the federation meeting.

Mrs. N. Kennedy, Mrs. W. H. Rogers and Mrs. L. M. Collins were luncheon hostesses at the Tuesday meeting. Members of the Everglades Memorial Hospital Auxiliary were luncheon guests.

Sorority Meets

Members of the Beta Omicron Chapter of the Beta Sigma Phi Sorority, at a meeting at the home of Mrs. J. P. Parker, voted to set up a fund to provide free milk for underprivileged children at the School for Exceptional Children.

Mrs. Clyde Griffiths, Jr., reported Beta Omicron gave an Easter party for the pupils of the School of Exceptional Children, with Mrs. Nanette Mallory, school principal, and Mrs. E. D. Sims, Jr., in charge. Promoting the welfare of this school is a chapter project.

Mrs. John Sutterfield, who recently took a vacation trip to Haiti, gave a talk on "Islands of the Caribbean."

The group voted to sponsor a Youngstown kitchen party in the near future. Mrs. Norman Kennedy, president, presided at the business.

Anniversary Will Be Noted By Baptists

A preacher who traveled on horseback, the Rev. E. M. C. Dunklin of Okeechobee, preached the sermon when Pahokee's First Baptist Church met to organize. This service was held in the Community Church building at Bacom Point with the Rev. A. J. York, the church's first Pastor, in charge of arrangements. The church was organized according to regular Baptist procedure. There were 24 charter members.

W. Hal Hunter, the 13th Pastor of the local congregation, stated that he only knew of one of the 24 charter members who is still a member of the church. This is Mrs. Gene Butler.

The local Baptists set Sunday, set Sunday, April 27th for the observance of their anniversary before they actually knew the exact date of the organizational meeting. Word has finally come from several of the original members, including Mr. Ira York of Savannah, son of the first minister of the church, establishing the birth date as March 5, 1922.

Dinner on the church grounds will follow the regular morning services. At 1:30 o'clock the Anniversary Service will be held. All members of the church are for all who care to attend. A special feature of the afternoon service will be a description of the colorful old preacher-missionary, "Father Dunklin", and the story of the first building, which was constructed by the Baptist men in less than four days.

According to Hunter, other Pastors serving the church in her 30 year history have been: A. J. York, Cecil, Nolte, E. L. Williamson, Earl Lewis, W. C. Taylor, A. A. Rennicks, James P. Rodgers, Jack Dalton, Spencer Beard, Carl A. Moberg and Hoke H. Shirley, Sr.

The church is in a campaign now to raise funds for the erection of her fourth worship auditorium.

Lions Will Pick Outstanding Member

Five members of the Pahokee Lions Club were chosen at the Tuesday luncheon meeting as candidates to receive the club's annual award to the Lion with the most outstanding record of club activities for the year. This year's candidates are President Leonard Dobrow, Ralph Stanley, Clyde A. Canipe, Duncan Padgett and Gil Galbaldon. From the five, the one to receive the award will be elected at the luncheon next week.

It was announced that starting immediately and ending May 6, the club is sponsoring the sale of brooms and brushes for the benefit of the Palm Beach County Institute for the Blind. Ralph Johnson is in charge of this project.

On the program, talks on Boys State and Girls State, held annually for selected high school students in Tallahassee under the auspices of the American Legion and the American Legion Auxiliary, were given by Dick Atkins and Ada Tillman, Pahokee High School Seniors, who were chosen to go to Tallahassee last year.

Don Cole, local grocery man, was received as a new member.

Pahokee Post Office Goes To New Quarters

Postmaster E. A. Jensen of Pahokee said Monday that the post office will be moved from its present location to the room formerly occupied by the B&B Store in Pahokee and be ready for operation not later than July 31, 1952. The post office is located now in the Jack Chastain building in a room between Chandler's and Don's Food Store.

WCTU Meeting

The Pahokee Unit of the Woman's Christian Temperance Union will meet at the home of Mrs. R. J. Schroder Monday, April 28, at 8 p. m. Mrs. James B. Tripp, president, will preside.

Pahokee Baptist Revival To Start

The Rev. Arthur Rich, pastor of the First Baptist Church in Delray Beach will conduct a series of revival services at the Pahokee First Baptist Church, starting Wednesday, April 30, and ending Sunday, May 11.

The Rev. Rich will be assisted in his evangelistic work by Miller Mikell, well-known evangelistic singer and chalk artist.

There will be two revival services each day, at 7 a. m. and 7:45 p. m. on week days, and at the regular morning and evening worship service hours on Sunday. The "babyland" nursery for small children will be open at the church during all of the services.

In preparation for the revival the Woman's Missionary Society is sponsoring cottage prayer meetings on Monday and Tuesday nights. These special prayer meetings will be held on Monday night at the homes of Mr. and Mrs. M. P. Stanley, Mr. and Mrs. Marvin Crady, Mr. and Mrs. R. S. Douthitt and Mr. and Mrs. H. Leon Burnett; and on Tuesday night at the homes of Mr. and Mrs. J. Thomas Bernhardt, Mrs. Ora W. Powell, Mr. and Mrs. Wiley Tillis and Mr. and Mrs. Paul Tillery.

Lewis Friend To Build New Park Building

Pahokee Mayor Lewis Friend Wednesday announced a new building for the City Park which he plans to build with \$2,000 of the salary he has received as mayor of Pahokee during the past two years. Mr. Friend said it would be known as a "Rest and Recreation Center."

In commenting upon the building the mayor said that it would be of concrete construction and screened in. It will have concrete picnic tables, thus providing a shelter for barbecue and picnic parties at the park.

District Meeting

Baptist Training Union leaders of the Pahokee-Canal Point area are planning to attend a BTU district meeting at the First Baptist Church in West Palm Beach Tuesday, April 29, at 8 p. m.

Definite Steps To Slow Speeders

Definite steps to slow down a group of local high school boys who are using their parents' automobiles as racing cars on public highways in the Pahokee-Canal Point area were taken by the Pahokee Rotary Club at its Thursday luncheon meeting.

Information discussed at the meeting revealed there is a group of approximately 15 teenagers who place their own lives in jeopardy as well as the lives of those they meet on the highways because of their desire for the thrill of car racing. The usual pattern of the local form of potential "sudden death" is for two cars, with four or five boys in each car, to race down the highway with the accelerators jammed down to the floor boards, the goal being for the fastest car to pass the other so as to have something to brag about the next day.

The favorite stretches of highway for the speed demons, because of their relative freedom from police patrol, are outlying highways the state highway leading to Indian town. In the few instances the speedsters have been caught and their licenses suspended their cars were clocked at over 100 miles per hour.

After these alarming facts were aired to club members, President Harold Rosenberg addressed his fellow Rotarians, saying he is of the opinion "the current speed craze of the teenagers constitutes one of the biggest juvenile delinquency problems yet to be faced by parents in the Glades area and it is urgently necessary something be done about it at once." Mr. Rosenberg went on to say "In one

Mrs. Elliott Thanks Flower Show Workers

"I do want to thank everyone for our successful Flower Show. 'Tis a very great pleasure to work with a group of women like the 'Garden Club' members. I do believe nearly every member did something toward making the show a success."

"To the public in general a 'Million Thank You's.' We had 425 registered guests in eight hours, and of course you always miss some people."

"I do so want to thank the non-members who helped so willingly—if I leave out any names I really apologize—Paul Rardin, Belle Glade Garden Club, Sadie's Flower Shop, Creech Flower Shop, Pope's Nursery, Olsen's Nursery, Hughes Ridenour, Canal Point and Pahokee ministers, Canal Point Lions Club, Pahokee Lions Club, Boe's, The Den Mothers, Cubes, Girl Scout leaders and Girl Scouts and 4-H Clubs in both Pahokee and Canal Point, Mrs. Earwood's Art Class, Ed Jensen, The Prince Theatre, The Woman's Club, Pahokee Methodist Church, Mrs. William McCleithan, Mrs. Cross, Pahokee Mill and Supply, Collin's Furniture Store, Glades Mercantile and the group of girls serving coffee and orange juice."

"So until next year's 'Flower Show,' Thank you very much." Mrs. Jess Elliott (general chairman.)

Town of South Bay Was Incorporated In 1941

The Town of South Bay was incorporated in 1941 by charter from the state validated by a referendum of the voters residing within the town limits as set by the charter.

The late A. O. Walker became the first mayor. Members of the first town council were Frank B. Willits, S. J. Fisher, W. M. Jeffries, R. D. Hawkins, O. P. Register.

The police department was established through the efforts of Chief C. G. Payne, who served the town in that capacity for seven years, brought in during that time \$42,000 in fines and forfeitures. He served at first using his own car; later a town police car was purchased which in 1950 was equipped with two way radio for effective cooperation with other municipal, county and state peace officers.

The Council through the efforts of members of the council and the then Clerk Alvin B. Crow secured in 1948 the present waterworks system whereby water is purchased from Belle Glade. A bond issue to the amount of \$185,000 was sold to obtain funds for this project.

A system of pick-up of garbage was established in 1948. Garbage is collected twice each week from residential areas and three times each week from business establishments handling food. The city dump was obtained through the courtesy of A. B. Barnes, who permits the city to use a tract of his land for that purpose.

In 1950, using funds obtained from municipal and state cigarette excise taxes, an ambitious program of street improvement was carried out. One mile of paved streets covering the main residential streets and also the main street in the negro subdivision were rocked, brought to grade and surfaced with black top.

The County Road Department through the courtesy of County Commissioner Paul Kardin and Road Supervisor J. K. Baker assisted materially with the street improvement program by loaning equipment and personnel to the town, without which the work could not have been accomplished without resorting to some form of local taxation.

The County Road Department has also paved the County Road leading to the negro subdivision as far as the new negro school and has improved and brought to grade Canal Street from a point near the F. E. C. Railway south to its junction with U. S. Highway No. 27 and has done considerable work on East Canal Street, both of which are county roads. The shoulders of Canal Street have been built up and the canal banks cleared and leveled to the waters edge.

The Fire Department has been built up under the efficient service of Fire Chief Mead Willits. A new fire truck with all the latest fire fighting devices and equipment was built by the town in 1951 under supervision of Chief Willits. A chassis and cab were purchased on which the fire truck was built and equipped at a saving to the town of some \$2000 on the list purchase price of a factory built fire truck of the same efficiency and equipment.

A new police car with two way radio, a new garbage dump truck, tractor with mower attachment and power lawn mower have been purchased during the last three years. All of this equipment was bought for cash from regular funds and the cigarette tax without resorting to any additional ad valorem taxes.

The town became a city through act of the 1951 legislature ratified by a referendum of registered voters in June 1951. The new city council organized following the October 1951 election took as their main project for city improvement the erection of a new city hall which is now completed and occupied by the staff.

With all these accomplishments, the tax millage remains one of the lowest in the state, 3.15 mills. The police department is self sup-

Governing Heads of Lake Okeechobee Region's Newest Municipality Meet in New City Hall

Left to Right: Councilman, H. B. Walker, Councilman Melvin Herriag, City Clerk Mabel West Barstow, Police Chief R. C. White, Mayor M. J. Hardy, Councilman J. C. Summerlin, Councilman W. G. Bowen and City Attorney Ralph Johnson.

Strategic Location Aids Fast South Bay Growth

South Bay was settled originally at the junction of the North New River Canal with Lake Okeechobee on the lake bay designated as South Bay. It is one of the older settlements at the south end of Lake Okeechobee which has endured down to the present. Early transportation was via the North New River Canal to Fort Lauderdale, later across Lake Okeechobee to Clewiston when the Atlantic Coast Line Railroad had completed the terminal to Clewiston.

The building of the great paved cross state highways through efforts of the late Thomas E. Will and other pioneers has placed South Bay at the strategic crossroads of the Everglades, the junction of U. S. Highway No. 27 with State Road No. 80. The federal highway extending from Miami up through the center of the state and the other crossing the state from The Palm Beaches to Fort Myers.

These cross state highways together with the coming of the Florida East Coast Railway with terminal at Lake Harbor in 1929 gives outlet both by rail and highway to all parts of the country and enabled the farming industry to develop with great rapidity.

South Bay is now the heart of the great muckland farming operations. The original snap bean main winter crop has given way to a wide diversity of vegetable crops and sugar cane, while cattle ranching is developing by leaps and bounds on the cold lands at some distance from the lake.

Business of the community is centered around this farming industry and two large packing plants adjacent to the railroad process the crops. South Bay Growers, a cooperative made up of local farmers, is one of the larger packing plants in the Glades. It

porting as is the garbage collection, fines and forfeitures and garbage fees collections being adequate to support these two departments. The water department is so arranged as to pay for all operation, maintenance and administration and at the same time set aside in the sinking fund a sufficient amount to redeem the bonds as they mature. The maintenance of the water and garbage department falls directly on the consumers, therefore, and not upon the tax payers alone. No utility tax has as yet been levied.

processes snap beans, peas and English peas over the belt line and operates a precooling plant for celery and the leafy vegetables.

The Everglades Growers owned and operated by Frank Anderson has its own group of growers which it serves as well as the general public. It operates during the season for vegetables and during the summer to process dry corn. It is equipped with dehydrator, shellers and elevator for processing the summer crop of field corn.

The business section has large general merchandise store, several groceries, furniture store, modern filling stations, several excellent garages and machine shops, excellent restaurants, bus terminal for Trailways Bus Lines, motor courts

and trailer park.

The Baptist Church is flourishing and growing so rapidly that plans are being made to start an ambitious building program for a new church plant. Members of other churches find church homes in Belle Glade or Clewiston.

The school plant is consolidated to serve not only the children of South Bay but also those of Okeelanta, Bean City, Lake Harbor and to the county line. A twenty acre tract has been purchased for future expansion of the school as the need arises.

The negro section is supplied with one of the most modern school buildings in the area with all the latest building devices and equipment for the education of the negro youth.

Legion and Civic Groups Boosters

The American Legion Post No. 161, composed of ex-service men from South Bay, Bean City, Lake Harbor to the Hendry County line is active in civic work as well and its own program.

An American Legion Hall of concrete block and stucco construction with cement floor and roof was erected in 1951 under supervision of O'Neal Walker finance chairman. The building on N. W. Canal Street faces the North New River Canal in residential block A of the townsite. It is a credit not only to the efforts of the legionnaires but also to the town and serves as a community center for public gatherings and for a meeting place for all local clubs and organizations. S. E. Henderson is commander.

A Legion Auxiliary has recently been organized with 16 active members and is fast taking over the regular program and activities of this organization.

A Lions Club was organized several years ago. It met on Thursday for supper at the school cafeteria until the legion hall was completed and now continues its Thursday suppers at the legion hall. Various local women organizations including the P. T. A., Womens Home Demonstration Club and Legion Auxiliary have served the suppers in turn. The

Lions Club has interested itself in providing sites for community recreation and safety. It sponsors the School Boy Patrol and the leader Milton Cumpston is an honorary Lion, attending the weekly sessions. It has also been instrumental in clearing, filling and grassing 8 lots in the rear of the school for young and adult recreation.

The Parent Teachers Association is well organized and active in providing for extra curricular needs of the school. Its chief fund securing activity is the Halloween Carnival. It also oversees the school cafeteria which it sponsors.

The Home Demonstration and 4-H Clubs were organized in the 20's by Miss Edith Morgan, now Mrs. Edith Y. Barrus, who served Palm Beach County for 20 years in that capacity. Mrs. Barrus and her successors, at Present Miss Sara Horton and Miss Elizabeth Hudson, with the assistance of local leaders have carried on a full program in the "live at home program". Many local, county and state honors have been awarded to local members of these organizations.

Leland Shirley and Bobby Harrell, University of Florida students, visited Leland's parents, Mr. and Mrs. C. L. Shirley, in Pahokee over the weekend.

Mr. and Mrs. H. J. Anderson had as guests over the weekend her brother-in-law and sister, Mr. and Mrs. Robert M. Firth of Portland, Me., and Riviera Beach, Fla., and their son, Alfred Firth, who was visiting his parents while on a brief leave from the U. S. Air Force.

New City Hall At South Bay Is Dedicated

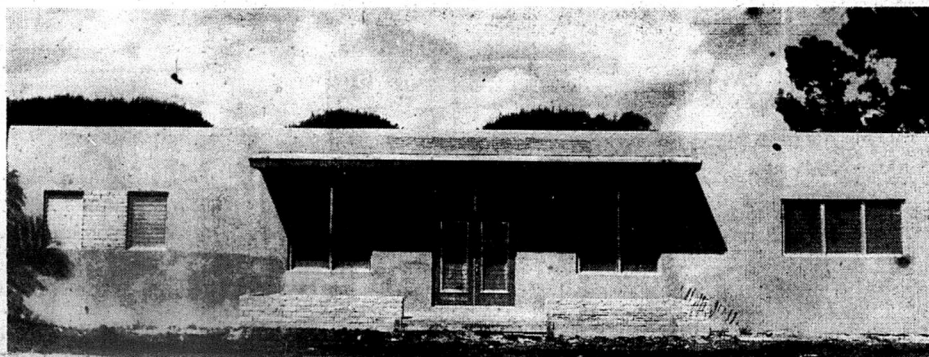

South Bay's Handsome New City Hall Is Dedicated Friday, April 18, 1952

South Bay's handsome new City Hall was dedicated last Friday afternoon with fitting ceremony marking the occasion and a big barbecue for all at the Legion Home after the dedication was over. County Commissioner Paul Rardin was chosen to deliver the dedicatory address.

Mayor M. J. Hardy was master of ceremonies and introduced all city officials and department heads. He gave a brief history of the Town of South Bay before it became the City of South Bay in 1951 by legislative act. The mayor introduced several distinguished guests in the audience before he introduced the speaker of the afternoon.

Commissioner Rardin spoke of early history in the Lake Okechobee Region, pointing out that the first industry here was that of catching Indians for the federal government when they were shipped to a western reservation. The second industry, the speaker said, was that of egret hunting for the handsome plumes they bore. Though it was illegal the industry thrived for many years before federal officials stamped it out.

Fishing as an industry in the Lake Region came into its own in 1904, Rardin said, and was profitable for several years. This industry was followed by the one known to each and every resident of the county—that of growing tender winter vegetables. The commissioner's talk was brought down to the present day when he pointed out that the cattle industry—the latest in this area—is fast be-

This handsome new City Hall, recently completed in South Bay at a cost of \$21,000, was dedicated last Friday afternoon by County Commissioner Paul Rardin. Mayor M. J. Hardy acted as master of ceremonies, introducing all city officials, department heads and distinguished guests. Following the dedicatory ceremony the crowd went to the new Legion home where a barbecue was served.

coming a major one with investments running into the hundreds of thousands of dollars.

The handsome new City Hall was dedicated by the speaker to the youth of the community with the thought in mind that the new building will be the home of good government for the betterment of all concerned.

Following the ceremony at the City Hall the crowd went to the new Legion Hall where a big barbecue was served to each and every person present.

New City Hall Is Modern Throughout

The City of South Bay has just completed a new City Hall to house the business and departments of city activities.

The City Hall is located on Palm Beach Road diagonally across the street from the school plant and directly west of a city park used for school recreation.

The City Hall grounds occupies one and a half lots with a 150 foot frontage and 85 feet deep. The building has a floor space of 2200 sq. feet and houses the main administration room with desk space for clerk and mayor, police department and council room, a private office with record room for the clerk, and rest rooms in the rear half of the building. The rear is occupied by a jail with four cells and a capacity of 20 prisoners, and the fire station.

The building is of cement block construction, plastered on the interior and stucco on the exterior,

fire proof and wind proof. It was erected by the city commissioners, W. G. Bowen in charge of building operations, and J. I. Freedlund in charge of construction, at a cost including all furniture and fixtures of approximately \$21,000.00.

The furniture is all steel finished in gray guaranteed to last a life time. Jail mattresses and blankets are being flame proofed as precaution against accidental fire. Interior furnishing was planned and installed by Halsey-Griffith of West Palm Beach.

The building was financed partially from surplus funds in the city treasury and partly by a long term loan of \$12,000 arranged with monthly payments over a period of years in order that the entire plant may be financed out of regular funds without resorting to any additional taxes.

The grounds have been brought to street level by a fill and are

being grassed by the city. The local Garden Club has taken over the project, of landscaping the grounds with flowers and ornamentals.

Members of the City Council and staff are Mayor M. J. Hardy; Vice-Mayor Melvin Herring; also in charge of streets and parks; J. C. Summerlin, commissioner of sanitation and waterworks; W. G. Bowen, police commissioner; and H. B. Walker, finance and fire department; Clerk Mabel West Barstow; Attorney Ralph O. Johnson; City Engineer John T. Pickett; T. L. Dean, sanitation, streets and parks and waterworks; Chief of Police R. C. White, Fire Chief Mead Willits.

Miss Kay Parker of Okeechobee, niece of Mrs. Velva Elliott, is recuperating from an appendectomy performed at the Everglades Memorial Hospital Tuesday.

Garden Club Is An Active Group

The South Bay Garden Club has taken as its projects for the year, the beautification of the grounds around the new City Hall, the roadside park at the junction of U. S. Highway No. 27, County Road and the cut off from SR No. 80, and the James B. Jeffries Recreation Park on U. S. No. 27.

They have already planted the window boxes at the City Hall to begonia and ferns and are assembling ornamentals for the further plantings.

The present Garden Club was organized in October 1951 at the school cafeteria. 28 were present at the first session and the club has now 32 members. Dues are \$1.00 per year.

Mrs. Eric D. Hartline is president, Mrs. Clayton Waters vice-president, Mrs. H. B. Walker secretary, Mrs. John L. Evans treasurer.

The first big social event was the Christmas dinner party on December 23 at which the husbands and a number of special guests were entertained. This proved to be a gala event. A turkey dinner with all the trimmings was served followed by an exchange of gifts around the Christmas tree and a social good time.

The local club took second prize at the Belle Glade Flower Show on their arrangement of gladioli arranged by Mrs. Hartline and Mrs. Mark Challancin.

Mrs. Lucille Walker attended at Federation of Garden Clubs in Miami on Nov. 8, just a month after the club was organized and made a delegate's talk. Mrs. R. J. Brock has been named delegate to the State Flower Show at Tampa and will accompany the Belle Glade delegates.

Two bake sales of home made cakes, pies, cookies, and brownies have been conducted and the sum of \$59.50 raised in this manner for carrying on activities and taking the members on garden tours.

Garden club members are Mrs. Eric D. Hartline, Mrs. Clayton Waters, Mrs. H. B. Walker, Mrs. O'Neal Walker, Mrs. John L. Evans, Mrs. Billy Rogers, Mrs. H. C. Willits, Mrs. Mark Challancin,

Mrs. Norman Dalrymple, Mrs. H. O. Mitchell, Mrs. W. M. Jeffries, Mrs. Frank Wilson, Mrs. Mollie Covell, Mrs. Elizabeth Hoyer, Mrs. Mary McCason, Mrs. O. M. McAllister, Mrs. E. M. Willits, Mrs. W. C. Bowen, Mrs. S. E. Henderson, Mrs. S. L. Eckman, Mrs. E. W. McLeod, Mrs. I. M. Davis, Mrs. Jay Smith, Mrs. Raymond Hall, Mrs. Calvin J. Peacock, Mrs. L. L. Simmons, Mrs. E. E. Dasher, Mrs. H. H. Walker, Mrs. K. L. Lockmiller, Mrs. C. F. Denton, Mrs. J. C. Summerlin, Mrs. R. J. Brock.

Cinematic Chatter

Helen Hayes, the first lady of the American theatre, was honored last week by the Boston Press Club for her selfless devotion to American ideals. In conferring the citation club Prexy Elliot Norton revealed the honor was inspired by Miss Hayes' portrayal of an American mother in the soon-to-be-released, "My Son John", the actress' first motion picture in sixteen years. We have it from Hollywood that Charlie Chaplin the great pantomime comedian of the silent film days, is plotting to become an American citizen. Charlie has made a lot of money in our great country and I'm a little surprised that he has waited this long to take the step. On the travel side Charlton Heston has planned out of New York for a whirlwind tour of the British Islands. The new movie hero is slated to follow a series of personal appearances in London, with engagements in Manchester, Liverpool, Glasgow, Cardiff and other key cities in England, Scotland and Wales. Surprise twosomes are not a rarity in the film capitol, but even blase film folk stopped and stared when these two couples appeared on the Hollywood scene. Talk-of-the-town couples include Rita Hayworth with Kirk Douglas, Yvonne De Carlo with Robert Taylor! During Margaret Truman's March stay in frequent escort was Jean Pierre Aumont, handsome French actor and husband of the late Maria Montez. See you at the movies—Mal.

Christian Science Group Of Canal Point

That man's immortality is realized through spiritual growth, and not through what is termed death, will be brought out at Christian Science services next Sunday. The subject of the Lesson-Sermon is "PROBATION AFTER DEATH."

The Golden Text is from Psalms (49: 15): "God will redeem my soul from the power of the grave: for he shall receive me."

Selections from the Bible include the following from Proverbs: "Keep thy heart with all diligence: for out of it are the issues of life" (Prov. 4: 23).

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "If the change called death destroyed the belief in sin, sickness, and death, happiness would be won at the moment of dissolution, and be forever permanent; but this is not so. Perfection is gained only by perfec-

tion. . . . To be wholly spiritual, man must be sinless, and he becomes thus only when he reaches perfection" (p. 290).

Plan All-Day Trip

Children of the Intermediate Department of the Pahokee First Baptist Sunday School are planning an all-day visit and field trip to the Rainbow Tropical Gardens at Boynton Beach. The children will make the trip in private cars and, in addition to sight-seeing, they are planning on a full day of swimming, fishing and boating. In charge of arrangements are Mrs. Clyde Brown, superintendent of the Intermediate Department, Mrs. C. L. Shirley and Mrs. Uesba Caruthers.

Mrs. G. L. Sims returned to her home in Canal Point Wednesday after several weeks visit with L. and Mrs. Faust Durden and granddaughter Melissa Sims Durden at Columbus, Ga.

Honor Brother

Mr. and Mrs. Jack Phillips entertained at their home Sunday with a dinner party honoring his brother, Bobby Phillips, USAF, who was their guest while on a brief leave from MacDill Field, Tampa, where he is stationed. Guests were Dr. and Mrs. L. W. Armstrong, Mr. and Mrs. Paul Sasser and daughters, Mrs. Johnnie Davis, Miss Blanche E. Bowers, Douglas Johnson and Jack Dedrich. Johnson and Dedrich are also USAF men from MacDill Field.

Joe Sowder Given A Birthday Party

Mrs. Joe Sowder entertained at her home recently with a surprise dinner party honoring her husband on his birthday anniversary.

Guests included Mr. and Mrs. Paul Watson, Mr. and Mrs. H. Batchelor, Mr. and Mrs. H. L. Burnett, Mr. and Mrs. R. M. Sanders, Mr. and Mrs. S. L. Lindsay and daughter, Joyce, Mr. and Mrs. James Farmer, Mr. and Mrs. Alec Johnson and Mrs. Frank Thompson.

Five Circles Of The Pahokee WSCS Meet

The five circles of the Pahokee First Methodist Woman's Society of Christian Service, at separate meetings at the homes of members Monday, made plans for a WSCS jurisdictional study of "Latin America," the final study session to be held Tuesday, April 29, at 8 p. m.

The Margery Lair Circle met at the home of Mrs. R. J. Schroder who presented the program, "The Negro in the Methodist Church," and Mrs. Arch Blakey gave the devotionals. Named on the church

greetings committee for May were Mrs. Schroder, Mrs. E. A. Early, Mrs. Corley Watson, Mrs. Susie Renfro, Mrs. W. A. Howell, Mrs. Nola Smith, Mrs. H. J. Anderson and Mrs. Blakey. It was announced the Margery Lair and Mabel Simonson Circles will meet jointly in May for the annual re-drawing of membership names for the two afternoon circles.

Mrs. L. W. Armstrong was hostess to members of the Mabel Simonson Circle. Mrs. C. A. Major and Mrs. O. D. Carpenter gave the program and Mrs. M. P. Holman, the devotionals. Appointed on the church floral committee for May were Mrs. Armstrong, Mrs. Hol-

man, Mrs. O. B. McClure, Mrs. J. B. Elliott, Mrs. Inman Weeks and Mrs. Duncan Padgett.

Mrs. Edward A. Jensen presented the program at the Gertrude Shirley Circle meeting with Mrs. Lewis Friend and the devotionals were given by Mrs. R. F. Hurt, assisted by Mrs. D. W. Cunningham and Mrs. J. A. Dulany. It was announced the three night circles will meet jointly at the church in May for the annual re-drawing of membership names.

Mrs. Jack Spencer gave a review of the mission study book, "The Negro in the Methodist Church," at the meeting of the Mary Martha Circle at the home of Mrs. Leo Maxwell. Mrs. R. L. Brooks led the devotionals and Mrs. Ernest Maxwell, chairman, presided at the business.

The Miriam Circle met at the home of Mrs. Max Beverly. Mrs. William Moss spoke on "Immortality" and Mrs. J. T. Boynton gave a reading. Mrs. Jo Phillips was in charge of the devotionals. It was announced Mrs. Moss and Mrs. Murray Weeks will be circle hostesses next month.

split second the lives of 10 boys can be snuffed out while their cars are traveling at such outrageous speeds and 10 bereaved families will then be wondering why they or someone hadn't done something to check such senseless speeding."

Rosenberg appointed the Rev. Hal Hunter, Rep. B. Elliott, J. F. Waddell, Robert O. Lampi and Charles McCurdy, student member of the club and president of the Pahokee High School Student Council, on a special committee to take action in an attempt to correct the situation.

The committee plans to engage the services of one of the safety education experts from the Florida Highway Patrol and through the permission of the Pahokee High School faculty to arrange for a special assembly of the entire student body at which time the highway safety educator will give a talk and show motion pictures on "Highway Safety." Members of the committee also plan to give brief talks on the serious aspects of thrill speeding at the special assembly.

Local Scouts Plan Work For Future

The Scout Committee of the Canal Point Scout Troop No. 24 met at the Community Hall after the Lions Meeting on Monday, April 21st. Scoutmaster "Red" Williams gave a report on the progress of the troop which was very encouraging. He requested that the Committee be given special responsibilities and the following offices were filled: Secretary, Charles Jones; Troop Chaplain, C. J. Smyly; Treasurer, A. R. Harrington; Troop Doctor, Wil-

burn Young; Achiever, "Bill" Shackford; Outdoor activities, Earl Maxson, Pope Sears.

The matter of Camping was brought up and steps will be taken to encourage the boys to attend summer camp in June. Mr. Williams explained about the need for camping equipment, and plans were voted for a money-raising program to be announced at a future date. It was also voted to have a monthly meeting of the Scout Committee and for various members to attend all the Scout meetings upon call.

Committee members are to be Merit Badge Counselors and to

assist and encourage the boys in their advancement. Mr. Williams announced the need for a division of the troop into Explorer Scouts and Boy Scouts, and this will be done in the near future.

ABILITY Proven By Experience And Actual Accomplishments

PAUL RARDIN

CANAL POINT NEWSPAPER EDITOR

Respectfully Solicits

**Your Consideration Between
Now And May 6 Of His
Candidacy**

FOR RE-ELECTION AS

COUNTY COMMISSIONER

Paul Rardin believes that the things he has done for the Glades through the years he has served this section merit his re-election to this highly important office of county government. Commissioner Rardin has learned how to work cooperatively with other members of the board for the benefit of all of Western Palm Beach County—known as the Glades section. His know-how has brought many, many improvements to this area during the past few years. The fact that he knows county government and its intricate workings will be beneficial in his future service to the citizens of the Glades. In casting a vote for Commissioner Rardin you are voting for a man who will always stand toe to toe with other officials and fight for the things that rightfully belong to this section of the county. Actual Accomplishments through the past few years prove that Rardin knows how to do this. He will appreciate your vote and support.
